Dear Kell,

Thank you for making the trip to Nevada, and in general, for supporting our Superfund work. We have more work to do with the Walker River and Yerington Paiute tribes. We hope you'll come out for a visit soon.

Warm regards,

Alexis

Alexis and Enrique, thanks to you and your team for the great job that was done by you in Region 9 to make the Anaconda deferral work. To have the Governor and ARCO both recognize your work is a positive reflection on the EPA, the Region and each of your team individually. Yours was a superior work product. Please pass on my thanks and congratulations.
